 Orders Settling Account.

RECORD OF ACCOUNTS

THE COLUMBUS BLANK BOOK MFG. CO., COL., O. 30701

8608

This day the first and final account of Alva C. Skidmon administrator of the estate of Edwin A. Skidmon, deceased, came on for hearing and settlement, due notice of the filing of said account in this court having been published according to law.

and the court having carefully examined the said account, and the vouchers thereon filed, finds inadvertent errors therein, as follows, to wit:

On Voucher No. 39, the court finds an excessive credit of \$2.⁰⁰ which amount should be deducted from the total of credits as stated in said account.

The court finds an excessive debit of \$1.⁸⁰ in the total Sale Bill of Chattels, charged as of December 21 1916, being the proceeds of personal property belonging to Maggie Skidmon sold at said administrator's sale; and which amount should be paid to the guardian of said Maggie Skidmon and, upon voucher therefor, credited to said administrator in his said account, thereby increasing the total amount of his credits in said sum of \$1.⁸⁰

The court further finds that, through inadvertent error and misunderstanding, said administrator omits a proper charge of the sum of \$400.⁰⁰ on account of sale of wheat, which amount is found to be payable, by the mutual agreement of all parties interested therein made this day in open court, in equal shares, respectively to Alva C. Skidmon, Foster J. Skidmon, Ida Skidmon, as guardian of Juanita Geraldine Skidmon, a minor, and Foster J. Skidmon, as guardian of Maggie Skidmon, an insane person; and said payee being all, and the only, parties interested in the distribution of the said Edwin A. Skidmon's estate. And the court further finds that under said agreement, which agreement the court approves and confirms, the said sum of \$400.⁰⁰ is not subject to the statutory rules of distribution, but should be disbursed, as aforesaid, in equal shares to said parties, and, with proper vouchers in proof thereof, reported separately from the principal estate of said decedent, set forth in said final account, in said administrator's report of the final distribution of said estate.

Wherefore, with the corrections aforesaid made therein, the said first and final account of said administrator is ordered to be, and the sum hereby is, approved, allowed, and confirmed.

It is further ordered by the court that said administrator be, and he is, allowed the sum of \$248.⁵⁰, being statutory commissions on the amount collected and accounted for by him, and bring in full

compensation for all his ordinary services rendered.

It is further ordered by the court that said Administrator's personal verified claim of \$12.²⁵ against his said decedent's estate, credited in said account, be, and the same is hereby, approved, allowed and ordered retained by said Administrator.

It is further ordered, that said Administrator be, and he is hereby, allowed the sum of \$5.⁷⁰ for actual and necessary expenses, which sum the court considers just and reasonable, as set forth in said Administrator's verified statement thereof.

By reason of the premises, The court finds the corrected balance in the hands of said Administrator under said first and final account of said Decedent's principal estate, for distribution, to be the sum of \$2741.⁶⁴; which amount he is ordered to pay over and distribute according to law, And-

The court further finds that the balance in the hands of said Administrator, under said agreement of distributees of said estate, is the sum of \$400.⁰⁰ which amount said Administrator is ordered to pay over and distribute in accordance with the special agreement aforesaid, and report the same separately, with vouchers in proof thereof, in his Report of the final distribution of said estate.

It is further ordered that said Administrator pay the costs, in this behalf taxed at \$7.⁰⁰, out of said estate; and the same are, accordingly, paid. And it is ordered that the said account and all proceedings herein be recorded in the Records of the said Probate Court.

Statement:

The said administrator says the real estate of said deceased was sold and deed signed by the heirs of said deceased and the 1st \$2500⁰⁰ paid down, which no accounting has been made in this account, was equally distributed among the heirs, and each received their portion.

Said Administrator deems it unnecessary to make an accounting herein, because of the fact the heirs sold land themselves, and sale was not necessary to pay debts.
