CLAIBOURNE TOWNSHIP TRUSTEES' REQUEST FOR FUNDS:

The Budget Commission met this day in special session in the matter of the request from the Township Trustees for additional funds for their General Fund.

The following members were present:

Frank White, Auditor  
Willard Clevenger, Treasurer  
Lloyd George Kerns, Prosecuting Attorney

The meeting was opened by the Chairman, Mr. Kerns.

Minutes of the last meeting were approved as read.

The following letter was read by Mr. Frank White:

To the Budget Commission (date) Feb. 11, 1956  
Union County, Ohio

Gentlemen:

May we bring to your attention our need for additional funds for the operation of the Claibourne Cemetery. The Cemetery, as you know, is the largest source of expense for our township.

Receipts for the past year were \$6,341.91 for the General fund and our disbursements were \$5,781.44.

Having tried to obtain additional funds thru a levy and failed, we ask that you exhaust all sources in an effort to appropriate additional funds for our General Fund.

We specifically need approximately \$1000.00 for the purchase of a Tractor and Mower for the Cemetery, as the present equipment is practically in a Junk condition and a constant source of expense.

Chas. L. Evans  
Zane Randall  
John Wiley

Claibourne Township Trustees.

The above letter being filed with the County Auditor on February 14, 1956.

Mr. White further stated that the only funds distributed to the subdivisions other than tax money collected are the sales tax and financial institution dealers tax, both from the Local Government Fund, that could be credited to their General Fund.

Mr. White also reported that the Trustees had told him their estimates and approximate amount for the equipment was a total of \$1,000, being approximately \$700 for a Tractor and approximately \$300 for a Mower.

After consideration and discussion of the matter, a motion was made by Mr. White and seconded by Mr. Kerns that the Board of Revision study the needs of the subdivisions to see if any adjusting of the distribution of sales tax could be made as all the sales tax has been allocated at the present time.

The vote resulted as follows:

Mr. Kerns, Aye  
Mr. Clevenger, Aye  
Mr. White, Aye

Motion carried.

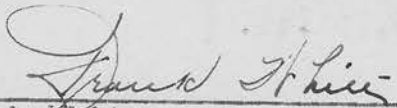

ADJOURNMENT:

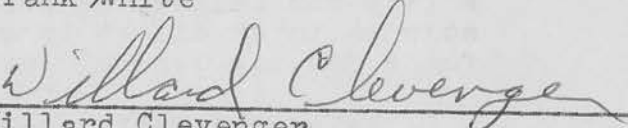

As there was no further business at this time a motion was made by Mr. Clevenger and seconded by Mr. White that the meeting adjourn until a future date to consider the allocation of Sales Tax for the period of the last six months of 1956.
