The above "Effective Rate for 2024" is used to compute REAL ESTATE TAXES for the tax year 2024, payable in 2025. Your Real Estate gross tax is computed by multiplying the tax value of your property by the effective rate for either Agricultural/Residential or Commercial/Industrial. The total rate is a combination of rates set as a result of elections in your district for County, Schools, Townships, Fire Districts, Libraries, Health Districts and Municipal Corporations.

NO TREASURER HAS AUTHORITY TO INCREASE OR DECREASE YOUR REAL ESTATE TAX RATE OR TO ADJUST VALUATION OR ASSESSMENT.
